EXPERIENCE

Simple Social, UK(remote) – *Editor in Chief*

2020

- I was in charge of managing all writers and ad specialists within the agency.
- This position lead to me also taking a simultaneous position in the sister agency of Simple Social (see below).

Sanctum Collective, AUS(remote) – *Chief Brand Strategist*

2020

- I was in charge of building the brand tones and landing page content of several e-commerce stores that went on to convert well over \$50,000 in sales.

***NON DISCLOSURE*, PH** – *Intern Portfolio Analyst*

2020

- I took a 3-month internship as a portfolio analyst in a Family Office Fund.

Envisage, PH – *Guest Speaker/Dev Instructor*

November 22-23 2021

- I partnered with a youth organisation in Manila to host a FinTech webinar dedicated to educating students on cryptocurrencies as a new asset class, as well as the underlying technologies that power them.
- I held a 30-minutes “Intro to Solidity” segment wherein I build a crowd-funding smart contract from scratch on the Remix IDE.

Independent Research, PH – *Smart Contract Researcher & Developer*

October 2021 – PRESENT

- **MultiSig Wallet Feasibility** – I am in collaboration with Enderun Colleges for the proposal of a multisig eth wallet to be used by the Student Government.
- **Film-Funding Feasibility** – I am in collaboration with a film director to propose a decentralised crowdfunding solution to a notable film society in the country.

Gobo Spot Productions (GSP.NFT), PH – *Co-founder/Technical Consultant*

August 2021 – PRESENT(inactive)

- GSP.NFT is my brainchild and is set to become Metro Manila’s **first** NFT production studio. However, apart from the initial setup, networking, and other administrative tasks, I am no longer active within the company.
- I sponsored the web development education for two potential devs looking to join the project in late 2022.

EDUCATION

Enderun Colleges, Taguig, Metro Manila – *Senior High School: Accountancy, Business & Management.*

June 2018 – May 2020, Philippines

- Despite not pursuing a Bachelor's, Enderun Colleges' Senior High programme did a great job at giving us hands-on business and managerial opportunities.

Organisations:

- **ARI** – Event Organisation
 - **Enderun Business Society** – Entrepreneurship
 - **Enderun INK** – Editorial
